Flipped Lesson – Morning Work

# Lesson Topic: Single Digit Addition

Part One: Scan the QR code to watch the video.

Part Two: Solve the problems by drawing a picture.

$$5 + 2 = \underline{\quad}$$

$$3 + 6 = \underline{\quad}$$

Part Three: Record any questions you still have.

Four sets of horizontal lines for writing, each consisting of a solid top line, a dashed middle line, and a solid bottom line.
